Until March 22, you can then ask your questions online. That will allow IRCC to provide a more complete answer during the March 25 session.

In addition, IRCC is conducting a short confidential survey to learn more about the factors that influence international students to choose Quebec/Canada for their studies and then seek permanent residence. Although your participation in this survey is voluntary, your feedback is greatly appreciated. The survey takes 2 minutes and will be available until March 26, 2021.
