

SUSTAINABLE DEVELOPMENT - AFSB

Sustainable mobility

Cycling:

- Avenue Cartier bike path
- Bikeways map: velo.qc.ca
- Outdoor bike racks

Public transit:

- Routes 20, 24 and 26 from the metro
- Monthly student pass: 65 \$ (Laval only) or 92,50 \$ (Laval, Montreal and Longueuil)
- stlaval.ca

Carsharing:

- Communauto parking at the Émile-Nelligan library 2,3km away
- montreal.communauto.com

Charging stations for electric vehicles in the free parking lot.

Waste management

- Collection of batteries, pens, masks, electronics and organic material
- Blue bin = municipal recycling (Paper, plastic, metal)
- Washable dishes available

Quality of life

- Oasis: Outdoor rest areas with a BBQ and patio swing
- Multiple indoor lounges with sofas, foosball and ping-pong
- Fitness room (18-F003) and showers (18-F007 and 18-F009)
- Outdoor sport equipment: Basketball nets, soccer field, volleyball field, dek hockey rink
- Community garden, orchard and organic basket delivery
- Water bottle-free and disposable container-free zone, bring your own containers (or borrow one for 1\$)
- Free menstrual products
- Gender-neutral bathrooms

Sustainable Development tools

Visit inrs.ca/developpement-durable regularly (in French only) for SD tools for digital sobriety, green events, responsible research, sustainable mobility and more.

Take the [UN sustainable development objectives training](#)

Get involved

- Annual SD action contest (up to \$10 000)
 - ÉcoActifs committee
- environnement.afsb@inrs.ca
